

Continuing Education 2016 INVITATION

Community Alcohol and Drug Service (CADS) An update not to missed!

A team from CADS will provide an update and enlighten us on:

Opiate substitution therapy (OST) - the latest protocols and management strategies:

- Suboxone use
- A client's perspective
- What's new and what's in demand!

Presenters

- Sue Hughes, Alcohol and Drug counsellor
- A medical officer
- A CADS client This will be a fantastic opportunity to hear issues faced by CADs clients and for you to ask all those curly questions!

We will collate a list of questions for the speakers to answer on the night, please do submit any you may have to us by email: kylie@midcpg.co.nz
